OUR HISTORY

Sapena Footwear was founded by Salvador S. in 2009, it's an international manufacturers group in Alicante (Spain), the main cluster in the footwear industrial.

We differentiate due adding value in design and trend forecasting, we are concern on Eco sustainable materials, we do monitor quality control product, with full certification on EU.

Our diversification is one of our key performances, so we can focus our energy to develop the "Brand of our customers" private label firm are welcome.

We have an extensive portfolio of worldwide clients, as International Designer firms, Retail Clothing or Footwear Chain stores, Department Stores, Catalogue business, Wholesale Distributors, E-commerce...

A stack of four ballet slippers in different colors: teal, purple, yellow, and orange. The slippers are arranged in a vertical stack, with the teal slipper at the top, followed by purple, yellow, and orange at the bottom. The word "BALLERINAS" is overlaid in white, bold, sans-serif font across the middle of the stack.
